Courses

Courses in English begin on Monday, 26 August 2019.

Each course is equivalent to 10 ECTS credits and it is not possible to take more or less than 30 ECTS as this is the full workload for Danish and International students.

You can find the descriptions of courses offered in English in the course catalogue on this link:

Students are encouraged to take both “EU Consumer Law and Product Labelling” and “EU Public Procurement and Competition Law” in the same semester as the courses have an academic correlation. Exchange students who will be in Aarhus in both autumn 2019 and spring 2020 have priority to these two courses.

Please be advised that if you have overlapping courses, you must change one of the courses. The Timetable for autumn semester will be published in the beginning of July.

Examinations

Once you have signed up for a course, you are also expected to participate actively at the lectures – already from the beginning of the semester. You are also expected to participate in the exam in the end of the semester.

When you have registered for a course in the beginning of the semester, you will automatically be registered for the examination.

If you follow courses in the autumn semester, you will have exams in December and January. Your last exam may be at 31 January 2020, the very last day of the exam period.

You cannot expect to be able to leave Aarhus before the end of the exam period.
