

For your information

Price example for cleaning in Denmark

When you move out of your accommodation, you must leave it tidy and clean. Check the moving out procedure for your accommodation.

If the cleaning is insufficient, cleaning company will be hired.

Cleaning services in Denmark are very costly. **Price can be from 350 DKK/ per hour.**

Estimated price example for cleaning of different items:

Stove	700 DKK
Range hood	350 DKK
Refrigerator	190 DKK
Decalcification of tiles, per room	350 DKK
Decalcification of fixtures, sink, toilet, etc.	350 DKK
Or it will be calculated on a time spent basis, per hour	350 DKK

Therefore we advise you to **clean properly**, so that service from cleaning company wouldn't be necessary. If you have any questions to cleaning products or cleaning methods, please, ask (housing@au.dk).
