Course Registration Guidelines for Exchange Students – Autumn 2021
Business and Economics

Please carefully read the guidelines below and check the relevant course list (bachelor or master) before completing the online Course selection form for incoming exchange students in the Incoming Portal.

1. Course lists
The course lists contain complete overviews of all courses offered to exchange students accepted to the Department of Management and the Department of Economics and Business Economics for the autumn semester 2021 – you can find information about ECTS load, exams, and pre-requisites, as well as links to detailed online course descriptions. Please note that there are two lists – one for bachelor and one for master-level courses.

2. Restrictions, requirements, and tips for selecting courses

Restrictions
It is only possible to follow courses offered by the Department of Management or the Department of Economics and Business Economics. Bachelor students are only allowed to enroll in bachelor-level courses; master students only in master-level courses (please check the relevant course list).

Course content and pre-requisites
Please read the detailed course descriptions in the online course catalogue thoroughly before submitting the course selection form (see links in the course lists). Many courses have specific pre-requisites and it is your own responsibility to try to make sure that you meet the requirements for enrollment. This is important as you may struggle to follow the teaching and pass the exam if you do not have the necessary background.

ECTS and study load requirements
Courses are either 5 or 10 ECTS. You must enroll in courses corresponding to a minimum of 25 and a maximum of 30 ECTS per semester.

Course groups and overlaps
In the course lists, the courses are divided into course groups. If you select courses from the same course group only (recommended), the course schedules will not overlap. If you combine courses from different course groups, you should pay extra close attention to possible overlaps in teaching and exams (see section 3 below). No more than four class/teaching time overlaps in total are allowed per semester.

Type of exams
Autumn semester teaching activities finish in December, but the exam period lasts until late January. If you need to leave Denmark before late January, e.g. if you need to attend the spring semester at your home university, you should select courses with exams in December or written take home exams that you can do from home in January. You can find detailed information about exams in each course description.
3. Timetables and course overlaps
You should pay close attention to course timetables and exam dates to avoid overlaps – especially if you want to take courses from different course groups.

From April 23 you can access the teaching timetable for each course via AU’s online timetable management system. Select “Adding timetables for modules” in the drop-down menu and follow the link and the instructions. Please note that "Holdundervisning" (H) means Tutorial and "Forelæsning" (F) means Lecture. Some courses have both tutorials and lectures, and you will need to attend both.

From April 29 you will be able to see exam dates for all courses as well, so if you have selected courses from different course groups, we recommend that you wait until you have confirmed that the exam dates do not overlap before submitting the course selection form. Once published, you can find the exams dates on the online Study Portal by following the links below:

Economics

4. Selecting courses and submitting the Course selection form for incoming exchange students
Between April 23 and May 1 (midnight) you can access the course selection form in the Incoming Portal. In the course selection form you will be asked to identify your Stay (only one option) and choose your Faculty – your Faculty is: Aarhus BSS

Please choose 60 ECTS in the online course selection form. You only need 25-30 ECTS, but courses might get cancelled or become unavailable, so you are required to add back up courses. Select your courses in order of priority, so that your first priority is Course 1, second priority is Course 2, etc.

Choosing courses in the online course selection form
- Choose "UVA STADS Code" in the Filter.
- Type in the "UVA STADS code" from the course list in the search field.
- Confirm the chosen course.
- Choose courses worth a total of 60 ECTS.
- Submit your course selection form.

The deadline for submitting the course selection form is: Midnight May 1, 2021. Once you have submitted the course selection form, you cannot make changes to your selection.

Admission to courses
You are not guaranteed admission to courses. If a course is full (places on courses with limited capacity will be randomly allocated) or if you do not meet the pre-requisites, you will be enrolled in another course from your course selection form. You will be enrolled in courses corresponding to 25-30 ECTS. If you fail to submit the form within the deadline, you are not guaranteed admission to any of your preferred courses.

You will be notified by email in June when the course registration procedure has been completed and you can see your course enrollments online.

5. Check and confirm your enrolments and timetable
Once you have been notified about course enrollments, it is important that you check that you are enrolled in the right courses. Please also remember to double check for teaching and exam
overlaps. You will receive an email with a reminder and information about how to check your enrollments and timetable.

6. Changing courses
You can only change courses if:
   1) We cannot enroll you in enough of the courses you have selected to reach 25-30 ECTS (due to e.g. cancellations or availability)
   2) There are more than four class/teaching time overlaps in total during the semester (it is your responsibility to check for overlaps – see section 4 above).
   3) Your home university does not approve a course

You will receive an email with information about course change options.
