

## Guidelines for Exchange Students – autumn 2024 Department of Law

Please carefully read the guidelines below and check the relevant course list *before* completing the online *Course selection form for incoming exchange students* in the Incoming Portal.

### 1. Course list

The course list contains a complete overview of all courses offered to exchange students accepted to the Department of Law for the autumn semester 2024 – you can find information about ECTS work load, exams, and pre-requisites, as well as a links to detailed online course descriptions.

### 2. Restrictions, requirements, and tips for selecting courses

#### *Restrictions*

It is only possible to follow courses offered by the Department of Law. Please note that the department only offers master courses and it is not possible to follow bachelor courses or courses at other departments.

#### *Course content and pre-requisites*

Please read the detailed course descriptions in the online course catalogue thoroughly before submitting the course selection form (see links in the course list). Many courses have specific pre-requisites and it is your own responsibility to make sure that you meet the requirements for enrollment. This is important as you may struggle to follow the teaching and pass the exam if you do not have the necessary background.

#### *ECTS and study load requirements*

Courses are 10 ECTS each. You must enroll in courses corresponding to a maximum of 30 ECTS per semester.

#### *Type of exams*

Most of the exams are oral exams. You can find detailed information about exams in each course description.

### 3. Timetables and course overlaps

You should pay close attention to course timetables and exam dates to avoid overlaps.

Courses are divided into clusters and all the courses in English are in the same cluster so they do not overlap in teaching.

From April 24 2024 you can access the teaching timetable for each course via [AU's online timetable management system](#). Select "Adding timetables for modules" in the drop-down menu and follow the link and the instructions.

**NB!** As for the exam dates the Department of Law will publish the dates at a later stage and there will be dates to choose from so you can avoid overlap in exam dates.

#### **4. Selecting courses and submitting the *Course selection form for incoming exchange students***

Between 15 of April – 1 of May (23.59 Central European Time) you can access the course selection form in the [Incoming Portal](#). In the course selection form you will be asked to identify your Stay (only one option) and choose your Faculty – your Faculty is: Aarhus BSS

Please choose 60 ECTS in the online course selection form. You only need 30 ECTS, but courses might get cancelled or become unavailable, so you are required to add back up courses. Select your courses in order of priority, so that your first priority is Course 1, second priority is Course 2, etc.

##### *Choosing courses in the online course selection form*

- Choose "UVA STADS Code" in the Filter.
- Type in the "UVA STADS code" from the course list in the search field.

If a course is full (places on courses with limited capacity will be randomly allocated) you will be enrolled in another course from your course selection form. You will be enrolled in courses corresponding to 30 ECTS. If you fail to submit the form within the deadline, you are not guaranteed admission to any of your preferred courses.

You will be notified by email by early June when the course registration procedure has been completed and you can see your course enrollments online.

#### **5. Check and confirm your enrolments and timetable**
