

## Guidelines for Exchange Students – spring 2024 Department of Political Science

Please carefully read the guidelines below and check the relevant course list *before* completing the online *Course selection form for incoming exchange students* in the Incoming Portal.

### 1. Course lists

The course lists contain complete overviews of all courses offered to exchange students accepted to the Department of Political Science for the spring semester 2024 – you can find information about ECTS workload, exams, and pre-requisites, as well as a links to detailed online course descriptions.

### 2. Restrictions, requirements, and tips for selecting courses

#### *Restrictions*

It is only possible to follow courses offered by the Department of Political Science. Please note that the department only offers Upper-level bachelor courses and it is not possible to follow bachelor courses or courses at other departments.

#### *Course content and pre-requisites*

Please read the detailed course descriptions in the online course catalogue thoroughly before submitting the course selection form (see links in the course list). Many courses have specific pre-requisites and it is your own responsibility to try to make sure that you meet the requirements for enrollment. This is important as you may struggle to follow the teaching and pass the exam if you do not have the necessary background.

#### *ECTS and study load requirements*

Courses are either 10 or 20 ECTS. You must enroll in courses corresponding to a maximum of 30 ECTS per semester.

#### *Type of exams*

Spring semester teaching activities finish in May and the exam period is in June. You can find detailed information about exams in each course description.

### 3. Timetables and course overlaps

You should pay close attention to course timetables and exam dates to avoid overlaps.

From October 24 you can access the teaching timetable for each course via [AU's online timetable management system](#). Select "Adding timetables for modules" in the drop-down menu and follow the link and the instructions. Confused? Check out the instructional [video](#) (right hand side of the website).

From October 24 you will also be able to see exam dates for all courses as well. Once published, you can find the exams dates on the online Study Portal by following the links below:

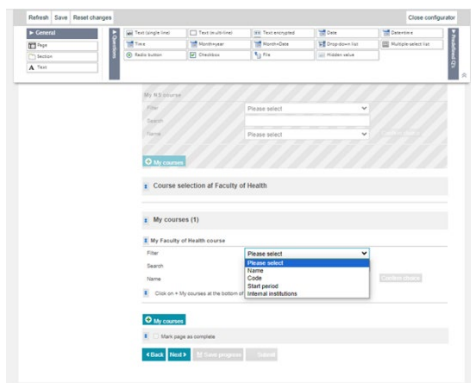

[Political Science](#)

You need to check for course overlaps as well and you can find more on how to do this [here](#), please see under Check for Overlap. If your courses are in the same cluster then they are not overlapping in the timetable or with exam dates.

#### **4. Selecting courses and submitting the *Course selection form for incoming exchange students***

Between October 16 and November 1 (midnight) you can access the course selection form in the [Incoming Portal](#). In the course selection form you will be asked to identify your Stay (only one option) and choose your Faculty – your Faculty is: Aarhus BSS

In the dropdown menu, please choose internal institutions and type in BSS, wait a few seconds and you will be able to see all the courses at the Faculty of BSS. Please note that you can only choose courses from the department you study at (subject area).

Please choose 60 ECTS in the online course selection form. This is to make sure that you have backup courses as well. Select your courses in order of priority, so that your first priority is Course 1, second priority is Course 2, etc.

#### *Choosing courses in the online course selection form*

**The deadline for submitting the course selection form is: November 1 (midnight) 2023. Once you have submitted the course selection form, you cannot make changes to your selection.**

#### *Admission to courses*

You are not guaranteed admission to courses. If a course is full (places on courses with limited capacity will be randomly allocated) or if you do not meet the pre-requisites, you will be enrolled in another course from your course selection form. You will be enrolled in courses corresponding to 30 ECTS. If you fail to submit the form within the deadline, you are not guaranteed admission to any of your preferred courses.

You will be notified by email in December, 2023 when the course registration procedure has been completed and you can see your course enrollments online.

#### **5. Check and confirm your enrolments and timetable**

Once you have been notified about course enrollments, it is important that you check that you are enrolled in the right courses. Please also remember to double check for teaching and exam
