

## Guidelines for Exchange Students – spring 2024 Department of Psychology

Please carefully read the guidelines below and check the relevant course list *before* completing the online *Course selection form for incoming exchange students* in the Incoming Portal.

### 1. Course lists

The course list contains complete overviews of all courses offered to exchange students accepted to the Department of Psychology for the spring semester 2024 – you can find information about ECTS work load, exams, and pre-requisites, as well as a links to detailed online course descriptions.

### 2. Restrictions, requirements, and tips for selecting courses

#### *Restrictions*

It is only possible to follow courses offered by the Department of Psychology. Please note that the department offers bachelor and master courses and it is not possible to mix the levels or follow courses at other departments. Once you are enrolled in a course, you cannot change the courses.

#### *Course content*

Please read the detailed course descriptions in the online course catalogue thoroughly before submitting the course selection form (see links in the course list). Please note that the department offers both bachelor and master courses and that it is not possible to follow courses at other departments. Some of the courses are offered on both levels and then the syllabus varies as well as the exam form.

#### *ECTS and study load requirements*

Courses are either 5, 10 or 15 ECTS. You must enroll in courses up to 30 ECTS per semester.

#### *Type of exams*

Spring semester teaching activities finish around May and the exam period lasts until June 30. You can find detailed information about exams in each course description.

### 3. Timetables

From October 24 you can access the teaching timetable for each course via [AU's online timetable management system](#). Select "Adding timetables for modules" in the drop-down menu and follow the link and the instructions. Check out the instructional video (right hand side of the [website](#) → 'Timetables':).

From October 24 you will also be able to see exam dates for all courses as well, Once published, you can find the exam dates for summer exams 2023 on the online Study Portal by following the link below:

[Psychology](#)

#### 4. Selecting courses and submitting the *Course selection form for incoming exchange students*

Between **16 of October and 1 of November (midnight)** you can access the course selection form in the [Incoming Portal](#).

In the course selection form you will be asked to identify your Stay (only one option) and choose your Faculty – your Faculty is: Aarhus BSS

In the dropdown menu, please choose internal institutions and type in BSS, wait a few seconds and you will be able to see all the courses at the Faculty of BSS. Please note that you can only choose courses from the department you study at (subject area).

Please choose between 50-60 ECTS in the online course selection form. Select your courses in order of priority, so that your first priority is Course 1, second priority is Course 2, etc. At psychology you will normally get the first 3 priorities as a bachelor student and the first 2 priorities as a master student.

Those of you who can follow courses in Danish will need to send us a separate email stating your priorities.

##### *Choosing courses in the online course selection form*

- Choose "UVA STADS Code" in the Filter.
- Type in the "UVA STADS code" from the course list in the search field.
- Confirm the chosen course.
- Choose courses worth a total of 50-60 ECTS.
- Submit your course selection form.

**The deadline for submitting the course selection form is: 1 of November (midnight), 2023. Once you have submitted the course selection form, you cannot make changes to your selection.**

##### *Admission to courses*

If you fail to submit the form within the deadline, you are not guaranteed admission to any of your preferred courses.

You will be notified by email in December, 2023 when the course registration procedure has been completed and you can see your course enrollments online.

#### 5. Check and confirm your enrolments and timetable

Once you have been notified about course enrollments, it is important that you check that you are enrolled in the right courses. You will receive an email with a reminder and information about how to check your enrollments and timetable.
