

Cleaning checklist

[Room](#) | [Bed](#) | [Bathroom](#) | [Kitchen](#) | [Common area](#)

Room (Mandatory)

Remove all garbage

Remove all personal belongings

If there are any items (e.g. bedsheet, pillowcase, duvet cover, food items such as spices, flour, oil etc., cleaning products, electrical devices or home decorations) that you wish to pass on to the next tenant, please leave it on the table in your room with a note saying: "This has been left by the previous tenant. Keep what you want and discard the rest".

Vacuum and clean the floor (with water and soap)

Vacuum and clean the skirting boards (with water and soap)

Clean all surfaces in the room (including closet inside and outside, doors, frames, around wall socket, etc.)

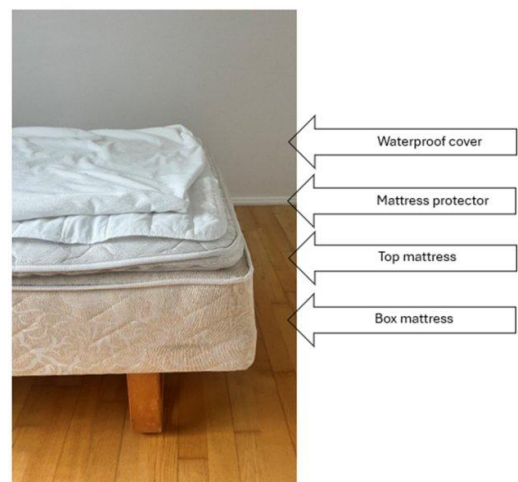

Clean the windows using a dry dishcloth and a glass cleaner ('glasrens', 'vinduesrens', or 'spejlrens' in Danish).

Clean the window frames

Clean the window coverings

Bed (Mandatory)

- Wash pillow protector and waterproof cover
- Leave the protector layers as instructed:
- Put the pillow protector back on the pillow
- Leave pillow and duvet neatly on the bed

Bathroom (Mandatory if living in a shared house, a shared apartment or a studio)

- Remove all garbage
- Remove all personal belongings
- Wash the shower curtain in the washing machine
- Clean the mirror and windows using a dry dishcloth and a glass cleaner ('glasrens', 'vinduesrens', or 'spejlrens' in Danish)
- Descale all surfaces - both vertical and horizontal (fixtures, toilet, sink, tiles, etc.) - using a special descaler ('kalkfjerner' in Danish).
- Clean all surfaces with hot water and soap
- Clean the inside of the toilet carefully using toilet cleaner ('toiletrens' in Danish). Clean the outside of the toilet using water and soap.
- Clean the drain and ventilation
- Vacuum and clean the floor (with water and soap)

Kitchen (Mandatory if living in a shared house, a shared apartment or a studio)

- Do the dishes
- Remove all garbage
- Remove all personal belongings
- Take out all kitchen equipment from cupboards and drawers. Clean it thoroughly and place it on the kitchen counter
- Clean all cupboards and drawers inside and out
- Empty, defrost and clean fridge and freezer
- Clean the outside and inside of the oven including baking tray and grid using cleaner ('ovnrens' in Danish).
- Clean the range hood. Soak if necessary.
- Vacuum and clean the floor (with water and soap)
- Vacuum and clean the skirting boards (with water and soap)

- Clean all surfaces in the room (including closet inside and outside, doors, frames, around wall socket, etc.)
- Clean the windows using a dry dishcloth and a glass cleaner ('glasrens', 'vinduesrens', or 'spejlrens' in Danish).
