

Housing in Aarhus for your Introduction to Denmark Week

Dear student,

At AU Housing, we are happy to help you with housing options for your Introduction to Denmark week!

1. **I have already applied for housing for my studies through AU Housing:** Please send us an email at housing@au.dk, and we will make sure that your contract covers your Introduction to Denmark week as well.
2. **I want to apply for housing through AU Housing:** Please follow the instructions on page 2, and please send in your application as soon as possible. In the comment section of your application, you can write the dates that you need housing for. You can find information about types of accommodation, leasing periods, prices, terms and conditions [here](#). **NOTE:** The contracts run for minimum 1 month.
3. **I wish to explore the private market:** Do you want to look at housing on the private market, covering only the Introduction to Denmark week? We have a few [suggestions on this page](#), but you can always contact us with any questions or if you need help with the booking procedures.

How to accept a housing offer from AU Housing

If you receive a housing offer, you have **48 hours to pay/accept** the housing offer. If you do not, the offer will automatically be cancelled. Therefore, it is very important that you check your email (including your spam filter) daily.

You accept the housing offer by paying the stated amount via online payment by credit/debit card. This is the only way to make the payment and thereby accept the housing offer.

If you experience problems with making payment within 48 hours, please contact us immediately at housing@au.dk.

When you have paid, you will receive an online confirmation.

Please note that AU can only give you one housing offer. If you decline this, AU Housing will not offer you another accommodation.

Covid-19: Isolation demands upon entering Denmark

For your kind information it is not possible for Aarhus University to provide isolation housing, however, we are able to guide you to a number of hostels that offer this service.

How to apply for accommodation

In order to apply for housing, you need access to the self-service system. Your self-service account has been created as part of the admission process - however, you will need to retrieve a new password. See here how to do that:

Step 1. Retrieve a new password:

1. Go to <https://mit.au.dk/?sprog=en>
2. Click on “Lost your password?”

An activation link for your (new) password will be sent to the email you used when applying for AU Summer University.

Please make sure to remember your password to the self-service account as you will need this later on.

Now you are ready to move on to [Step 2: Creating Application](#).

Your User ID is your **AU ID**, which you have received with your letter of enrolment (e.g. au123456). Your password is the one you have just created. When logged into the self-service account you will have access to the link *Application form for AU Summer University Students* (see below). This form must be used even though you are not a Summer University student.
