

ENGINEERING VIRTUAL OPENING DAY

Presentation by: Debbie Amelia Munandar

ABOUT ME

- My name is Debbie Amelia Munandar
- I am from Indonesia
- Currently on my 3rd Semester in Technology Based Business Development
- Study Background: Industrial Engineering

STUDY IN DENMARK

- Denmark is one of the happiest country
- High quality of life
- Home to many biggest company: Novo Nordisk, A.P. Møller – Mærsk A/S, Lego~

WHY AARHUS BSS AND TBBD PROGRAM?

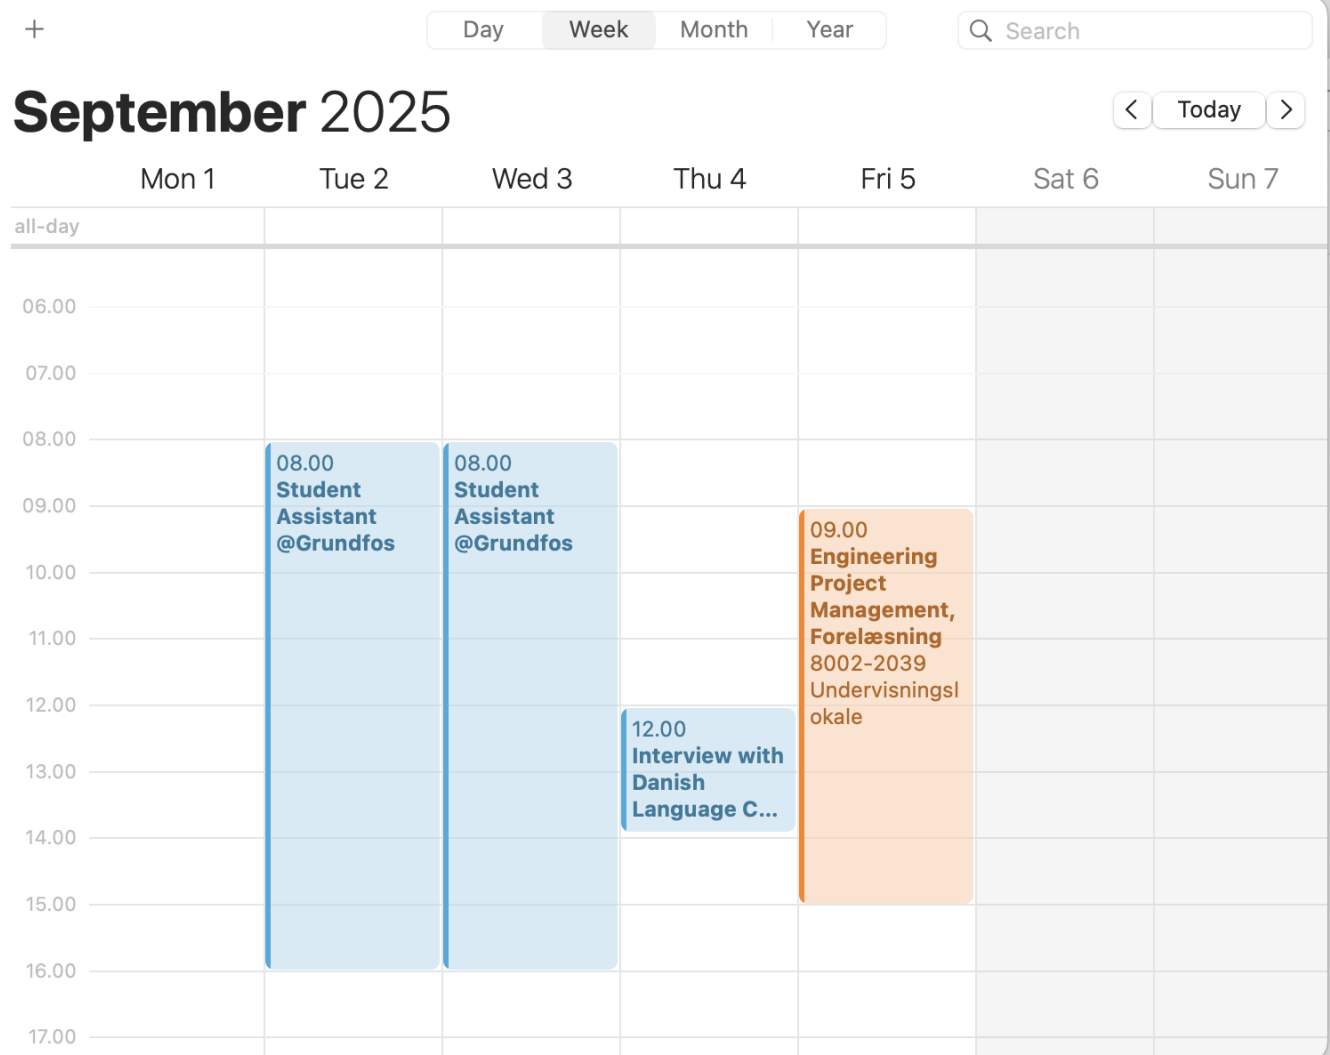

- Aarhus BSS has good international reputation
- The program is multidisciplinary which is amazing for career prospect
- Interesting study tracks (specialization like Digitalization, Operations Management, Energy and Sustainability)
- International environment (students from all over the world)
- Good study-life balance in Denmark

TEACHING & COURSES

- Teaching style: interactive, group work, case-based, problem-solving focused
 - Open communication with professors
 - 1 on 1 supervision
 - Study schedule: 30 ECTS, lecture and classes usually in Monday and Tuesday for 1st and 2nd semester
 - Self study and group work for the rest of the week
 - Quite flexible study options: doing exchange, doing summer course
-

HOUSE IN HERNING

STUDENT JOB

- I work as a Student Assistant at Grundfos
 - I work 15 hours a week
 - The range of salary as a student worker is 20 – 27 EUR
 - Generally, as a student assistant the office provide flexibility to student worker to choose the work from office schedule. I go to the office on Tuesday and Wednesday.
 - Tips on getting a student job:
 - Always apply early
 - Don't be shy to reach out to the person that's hiring if you think you're a good match
 - Attend networking events
-
