Apply for CPR online here <https://notuseborger.scandihealth.net/eds/indrejse/Indledning.aspx> and follow the instructions through that process. In the end, you will need to book an appointment to complete the CPR application with a visit to Dokk1.

EU citizens (not Nordic citizens) will need to apply for a residence certificate through SIRI before being able to complete the CPR application. See a separate document "How to apply for Residence Certificate at SIRI".

Bring the documents listed on "Documents you must bring for CPR and Residence Certificate registration".

HELP: If you need help with the online application, please contact Citizen Service directly. You can contact them Mon-Fri 10-14 (Thursday 10-16) by phone +45 89401030.
